Children's Ministry

Carl & Brenda Ens

Carl & Brenda are local folks who have been involved in children's ministry for the past 10 years, sharing the message of Jesus' love with families all across western Canada. Every morning they will be presenting, "Search for the Golden Nugget" to the children; searching for the gold nuggets of truth in God's Word about His love, His care, His forgiveness, His friendship and Eternal Life. Children, you can look forward to amazing chalk drawings, marionettes, stories and singing during the time that the adults have their morning meetings.

Morning Speaker

Russ & Marina Stendal

The Stendals come to us from Bogota, Colombia, where Russ grew up the son of a pioneer missionary couple and met & married Marina! He was also kidnapped and later released by Marxist guerrillas. They operate Christian radio stations on AM, FM and short-wave, produce their own CDs & DVDs, write books, do evangelistic crusades and bring the love of Jesus to the guerrillas deep in the Colombian jungle. They lovingly share from their experiences and will definitely challenge us all with a powerful message of the love and provision of Jesus Christ.

Evening Speaker

Paul Tucker

Paul R. Tucker was born on a farm in Southeastern Iowa. He and his wife, Juanita, presently live in Northeastern Minnesota, near Duluth. He grew up in a Christian home and was greatly influenced by his grandmother who always said, "You will be a preacher!". At age 15 Paul made a commitment to pursue a "Divine Call Of God" on his life. For over half a century the Tuckers have been faithful to their heavenly calling, engaged in a great variety of ministry, worldwide. Many years they have worked with Native American and First Nations people in the U.S. and Canada. And for over 27 years, now, Paul has especially focused on ministry in France. Come, be blessed and challenged as this great man of God shares from his heart the excitement of a life surrendered to God.
