“O give thanks unto the LORD; for he is good: because his mercy endureth for ever.” Ps 118:1

The ice is finally off the lake, nature is in full bloom and Wilderness Ministries is in full operation!! We started off the Spring season with our May long weekend Family Fellowship camp which was attended by many of you. We had a great time together with about 40 in attendance. If you weren't there we missed you!!

The two weekends following May long, the camp was used by 2 different men's groups; the first for a quad weekend and the second for a fishing retreat. Both weekends were successful and our guests thoroughly enjoyed their time spent on our grounds. We have several more bookings for the summer...even a women's group who is coming for a fishing retreat! Ron and Bruce will definitely be busy that weekend!! We are so grateful that we are able to share our facility with others. Please remember that if your church group would like a place for a refreshing time away, give us a call. We would love to accommodate you!

THE ROOF IS UP!! Thursday, May 31 was the day! The day was rainy and windy but the Lord undertook and everything went as smoothly as it could possibly go. We are grateful for an expert crane operator and a wonderful crew that were integral to making this happen. Please check out the pictures and videos on our camp FB page or on Pam Kashuba's FB page. Thank-you to all who prayed with us for the success of this event!!

REMEMBER...family camp is quickly approaching! We are anticipating an exciting time together for our 10-day camp. Make your plans to attend **July 27-Aug 5** and let us know by **July 16** if you will be eating at the kitchen (\$140 Friday supper to Sunday noon; or \$3 breakfast, \$10 noon meal, \$6 supper, children 5 and under eating with their parents are free). We do not want anyone to miss out on coming to camp due to a lack of food or funds to purchase meal tickets. Camp sponsorship is available for those who may be experiencing financial hardship at this time. So please speak to Pam (306)240-5788 or Donald (306)862-6976 if this applies to you..

PRAY WITH US

- *continued finances for the completion of the dining hall and all camp expenses
- *anointing on speakers, musicians and all who take part in ministry for upcoming Family Camp
- *the completion of the Kashubas' move to camp and the quick sale of their property in Meadow Lake
- *continued protection on our property (rain at appropriate times to keep the forest safe from fire)
- *that those who step on our grounds will sense the presence of the Holy Spirit

Thanks again to all of you who do keep us in your prayers. God bless you for your continued faithful participation in this ministry. We look forward to seeing you soon!
