Cabin 5 Progress Report

Thanks to generous support, the main floor is really coming together! Drywall and painting are done, most of the flooring is in, cupboards have been installed, and electrical work is nearly complete. We're so grateful for everyone who has helped move this project forward.

Our recent youth camp was a huge success! Twenty-three youth spent the weekend building friendships, enjoying the outdoors, and lifting their voices in worship. Scott Walker shared an incredible message on the glory of God. What a blessing!
